

Internationale Kulturbörse

Street theatre stage – Central Foyer 500 PAX

Crew:

1 Stagemanager
1 Stage technician

Stage Layout:

Open stagescene (appr. 14m x10m) with a backscenery, middle entrance and side entrance to the stage.
The stagescene has black dance carpet (stone floor!) and is on ground level.
The sides are open to public.

Lighting:

White lighting for the whole area.
Coloured show and effect lighting.
Please be aware that on this scene there is direct daylight due to time.
There is no blackbox scene.

Sound:

Nexo Geo S12 inkl. Subs.
2 channel monitoring
Yamaha LS9716 Console
CD, and MP3 player available.
Additional microphones as needed.

Wireless Systems:

4 channel UHF Radio mics (Shure, Sennheiser)
with DPA 4066 headsets and handhelds.

We kindly ask you not to use your own wireless systems. In case this is indispensable for your performance (e.g. in-ear-monitoring) please contact us. We do reserve the right to forbid the use of systems that do not fit into our frequency range or may disturb the other stages.

**THE USE OF PYROTECHNICS AND ARTISTIC PERFORMANCE ARE OBJECT TO LOCAL AND NATIONAL LAW AND GUIDELINES.
WE KINDLY ASK YOU TO REGISTER AND TAKE CARE OF THE NECESSARY PREMISES.**
